Date of Original Sentence: September 11, 2006

Original Offense: Theft of Government Funds

Original Sentence: 12 months probation

Type of Supervision: ProbationDate Supervision Commenced: September 11, 2006**PETITIONING THE COURT**

To extend the term of supervision for \_\_\_ years, for a total term of \_\_\_ years.  
 To modify the conditions of supervision as follows:

**The defendant shall participate in drug testing and/or treatment. The defendant shall contribute to the cost of any treatment based on ability to pay and availability of third party payments.**

**CAUSE**

On September 11, 2006, the defendant reported to the office following her sentencing at which time the conditions of probation were reviewed with her and a urine sample collected. The sample which Ms. McNair submitted tested presumptive positive for cocaine. Upon the defendant's denial of using cocaine, the sample was forwarded to Scientific Testing Laboratories for confirmation testing. On September 21, 2006, STL notified that the urine sample was confirmed positive for cocaine.

Ms. McNair is currently under the supervision of the United States Probation Office in Birmingham, Alabama since she is living and working in the Northern District of Alabama. According to her supervising officer, the defendant has since admitted to using cocaine. She is willing to participate in drug testing and treatment and has signed the attached Probation Form 49 agreeing to the modification of her conditions of probation and waiving her right to assistance of counsel and to a hearing. It is believed that the modification will assist the probation officer in properly addressing any substance abuse issues with Ms. McNair.
